

The Ohio Junior Rodeo Association

Sponsorship Form

The Ohio Junior Rodeo Association (OJRA) was founded to provide a quality rodeo opportunity for boys and girls, regardless of state of residence, who are attending kindergarten through twelfth grade. OJRA consists of four grade divisions (K-2, 3-5, 6-8, 9-12) and twenty rodeo events, from dummy roping to bull riding, and sheep riding to barrel racing. These events are fashioned after collegiate and professional rodeo events with modified rules and stock to accommodate age and ability.

The OJRA season is very expensive. Your generous sponsorships are used to provide awards for the competitors. These awards include end of the year All-Around Cowboy/Cowgirl for each grade division, Reserve All-Around Cowboy/Cowgirl for each grade division, Event Champions, Reserve Event Champions, and OJRA Queen awards, as well as finals awards.

OJRA operates using competitor and family volunteers. There are no paid administrative staff positions. Without generous sponsorships, OJRA cannot recognize our outstanding youth competitors in a manner in which they deserve. We greatly appreciate your support. All of your sponsorships go directly to our awards program.

Please make your check payable to: **Ohio Junior Rodeo Association**. In kind sponsorships, such as products or services, are welcome as well.

Sponsorship forms with payment should be returned to OJRA Treasurer Karyn Forman, 7158 Hill Station Road, Goshen, OH 45122. Please include your business card, letterhead, or logo for banners, ads, and program listings. Information may also be provided in electronic format.
